XVI International Congress on Mathematical Physics

August 3–8, 2009 Prague, Czech Republic Clarion Congress Hotel Prague

INFORMATION FOR COMPANIES

Dear Friends and Colleagues,

On behalf of the International Association of Mathematical Physics and the Congress Committees we would like to invite you to become participants of the **XVI International Congress on Mathematical Physics** to be held in Prague, Czech Republic, from 3 to 8 August, 2009. Following the tradition formed over several decades, the triennial congresses are the largest mathematical-physics conventions. The ICMP09 will be a major event: new results in the field and future challenges will be discussed, illustrating the richness and vitality of this branch of the science. A preliminary estimate is that the Congress will attract at least 800 participants. For further information please visit the official Congress internet pages www.icmp09.com

Congress venue: Clarion Congress Hotel Prague ****

Hotel is located right on Vysočanská Metro station, yellow line B, just 6 stops from the historical city centre and similarly close to other Prague main sightseeing spots. It is only 30 minutes by car from the Ruzyně airport and is easily accessible by all means of transport – the Old Town can be reached within 10 minutes. This new modern hotel was opened in March 2008.

The Congress Committee would like to offer you the following possibilities of participation (prices given without the VAT of 19%):
