

MINISTRY FOR REGIONAL DEVELOPMENT

Jiří Vačkář
1st Deputy Minister

Prague, March 18, 2008
Ref.n.: 9126/20080-073/283

Dear Mr. Exner,

On behalf of the Ministry for Regional Development let me inform you of our common intention to actively support international congresses and conferences which could possibly be hosted by the Czech Republic. We would like to take this opportunity to approach you in this respect.

In recent years the Czech Republic and its capital Prague have enjoyed a good reputation of successfully hosting prestigious congresses which have highlighted the high quality of services provided in our country.

We are convinced that our mutual cooperation will successfully enable the Czech Republic to host the International Congress on Mathematical Physics in Prague, in the year 2009.

Best regards,

Prof. RNDr.Pavel Exner, DrSc.
Chairman of the board
