Answer the questions by giving a score from 0 (worst) to 5 (best). Write notes at the back of the page if needed. Give a general assessment based on the scores for these criteria: What would you say was best and worst?										
Content:										
Is the title good?										
Does the presentation start in an interesting way?										
Does it finish well?										
Is there a list of references?										
Language skills:										
Is the vocabulary / grammar correct?										
Is the intonation good?										
Is the accent too strong and makes it hard to understand?										
Presence:										
Eye-contact, gestures, body language?										
Do they speak loud enough?										
Is it noticeable that they're nervous?										
Organisation:										
Is it repetitive?										
Are there too many pauses?										
Is it easy to follow?										
Did they finish on time?										
Visual aids:										
Slides, images, colours, fonts?										
General impression:										
Do you think they know their topic well?										
Did they keep you interested? Were you bored?
