

Macbeth

I am ruthless and ambitious.
I wonder about someone taking my place as King.
I hear knocking on gates.
I see ghosts.
I want power and control.
I am ruthless and ambitious.

I pretend to be shocked.
I feel confused about if I am good or evil.
I touch a bloody dagger.
I worry about Banquo's descendents.
I cry about victory.
I am ruthless and ambitious.

I understand what I was told about my future.
I say that no one can harm me.
I dream about evil.
I try to say "amen."
I hope that what the witches say is true.
I am ruthless and ambitious.

MACBETH

I am light and I'm dark

I wonder about kings

I hear prophecies

I see dead

I want power

I am light and I'm dark

I pretend to be innocent

I feel conflict

I touch death

I worry about my adversaries

I cry from remorse

I am light and I'm dark

I understand nothing

I say hate

I dream of spirits

I try to succeed I hope to become King

I am light and I'm dark

Who am I?

I am a stranger and a fool	I am happy and sad
I love hummus
I love hugs
I love mugs
I hate...
I like...
I play...
I want my revenge	I am happy and sad
I want to believe
I do not know what I want
I am a stranger and a fool
I need...
I see...
I hear...
I touch...
I am a stranger and a fool	I am happy and sad
